DAY 1 UYUNI –UYUNI SALT LAKE – COQUESA (Distance in E-bike: 57 km – 35 miles)

Our guide and vehicles pick you up from Uyuni airport and invite you for a breakfast at our meeting place, where the rest of the passengers who stay in the city of Uyuni are waiting for you. In the case of a closed group, they are picked up from the hotel and taken to the meeting place. At 8:30 a.m. we start with an explanation of the qualities of the E-bikes and their handling as well as tips for the tour. The guide will tell you the route to be defined according to the weather conditions of the day. Since the distances are relatively large, the route to be covered is defined by the group according to the suggestion of the tour guide. Departure at 9 a.m. On the way we will visit the train cemetery and after a short break we will continue to the indigenous village of Colchani, where we will see the elaboration of iodized salt in its rustic form. You will enter the white desert in its fullness with typical extraction landscapes like pyramids of salt, salt eyes and the first hotel built entirely from salt, which is now a local museum. Our guide will look for the ideal place to enjoy a typical community lunch called "ajtapi", aymara word for picnic. After lunch we visit the island of
