### DIA 2 BARCELONA Modernism and Gaudí-Private Tour. Rainbow Night

Breakfast at the Hotel. With this two and a half hours tour you will be able to enjoy the most renowned Modernist houses of the city, such as La Pedrera, Casa Battló, Casa Amatller or Casa Lleó i Morera. After that, we will dive into the streets of the Eixample district and discover other lesser known but equally spectacular architectural gems such as Casa Calvet, Casa de les Punxes, or Casa Macaya. Towards the end of our tour we will visit the most famous building in the city, the astonishing Sagrada Familia. This temple, which has been under construction for over 100 years, portrays on its richly and meticulously decorated exterior many biblical scenes emphasizing Gaudí's deeply religious nature. It will certainly leave you speechless. At the end of the tour you will be able to access the Sagrada Familia interior without your tour guide. You will thus be able to extend your visit for as long as you wish. We will provide you with a skip-the-line ticket which allows you to avoid waiting outside and also borrow a radio guide to visit the inside of the building. The afternoon is at leisure for private activities like shopping for instance. We will pick you around 11:00 p.m. for our private Rainbow Night Tour (2 hours). Barcelona is a popular destination for partygoers, with a vibrant bar and club scene. We will start the evening by meeting you at your hotel and heading towards the most popular gay bars and pubs at the Eixample (Gayxample) district. At the end of the tour, towards 1am (welcome to Spanish time schedules!) we will offer you some last recommendations to attend the trendiest clubs or the most traditional ones, since Barcelona has more than 25 years of gay nightlife experience. Avoid the inconvenience of not knowing where to go, getting lost in the streets, and having to ask your way around. With us, Barcelona is at the tip of your fingers! **(B)**

### DAY 3 BARCELONA Barrio Gotico Private Tour

Breakfast at the Hotel. Almost the whole day will stay at your leisure. In the afternoon, the tour will continue at 4:00 p.m. with the Barcelona's Gotic Quarter. After meeting your guide at your hotel, we will visit the Arco de Triunfo and the Ciutadella Park, where we will find the Castle of the Three Dragons, the Zoo, the Catalanian Parliament, a spectacular waterfall, and much more. This was the legacy left by the 1888 Barcelona Universal Exposition. We will then venture into Barcelona's oldest neighborhood, a part of the city with more than 2.000 years of history where we can still find monuments and spaces several centuries old. The Sant Jaume Square, the Jewish Quarter, the Sant Felip Neri square, the majestic Cathedral, the Plaza del Rey, the Roman wall, the gothic church of Santa Maria del Mar, or the Paseo del Born, among others, will take us on a walk through history hand-in-hand with our expert local tour guides. After this three-hour tour, the evening is free to explore Barcelona nightlife. **(B)**
